"A shared happiness is a double happiness."

## Naša priča

Hrana je da se deši...

Piatákia na grčkom znači "tanjirići". Neki služe da se lome, a u nekim se služi meze.

Reč **mezés** sa grčkog se prevodi na druge jezike kao "mešana predjela", ali to ne oslikava pravo značenje ovog pojma i njegovo mesto u grčkoj tradiciji. Tu reč i običaj doneli su sa Bliskog Istoka i ostavili Grcima, namai svim ostalim delovima Ottomanskog carstva, Turci. Kod nas je meze mešano seckano predjelo koje uz piće i razgovor grickamo i bockamo čačkalicama, viljuškicama, noževima, prstima i ostalim raspaloživim sredstvima, a Grci su ga kulinarski doradili, proslavili i sociološki ga razvili od jela do animirane komunikacije grupe ljudi, obično praćenu smehom i bukom, i ugradili ga u svoju kulturu kao zabavu za sva čula, druženje uz hranu, vino ili uzo, muziku ili talase, dan ili noć... I od tih im je materijala satkana duša.

Meze se servira u zajedničke male tanjiriće tako da celo društvo može da ga deli i da u njemu uživa, bilo da je skromno kao par maslina sa krškom sira ili obogaćeno umacima, toplim mirisnim jelima, mesom sa roštilja, prženim lignjama, malim trouglica ukušnih pita i drugim mnogobrojnim gurmanlucima. Meze prevashodno predstavlja obožavanje života i potpunog življena. Njegova suština je okupljanje prijatelja i porodice u razgovoru i činu poštovanja ukusne hrane i dobrog vina. Pa je tako pravo značenje reči meze: deliti i uživati.

## Our story

Food is for sharing

Piatákia translated from Greek means "small plates". Some of them are for braking, but in the lucky ones a wide variety of dishes called **meze** is served.

**Mezés** is usually translated from Greek to English as "appetizers", but this translation does not do justice to the fundamental role meze plays in Greek tradition. The word and the custom of meze have been brought from Middle East to Greece and to the rest of the Ottoman monarchy by Turks. Greeks have made some culinary adjustments and socially developed meze from a meal to an animated communication of a group of people, which usually ends up in noise and laughter, for which they are famous. They have built it into their culture like entertainment for all senses, friendly social gathering accompanied by food, wine or ouzo, music or sea, day or night... And these are the raw materials from which their soul is made.

Meze is served on small plates so the whole group can share and enjoy something as humble as a few olives or a piece of cheese, all the way to platters laden with different dips, warm aromatic dishes, skewers of grilled meat, deep-fried calamari, little tasty filo triangles, and endless delightful treats. Most important, meze captures the zest of life, and living life to its fullest! The essence of meze is gathering of friends and family for conversation and the simple appreciation of delicious food and wine. Therefore, **meze means to share and enjoy**.

## KRIA PIA TAKIA

hladni tanjirići cold plates
